S5 CHOICE OF COURSE - 2006

Please complete & return to Dr Smith by Wednesday 29 March.

Pupils in S5 will take a full course in English plus Personal & Social Education (PSE) and core Physical Education (PE).

Pupils in S5 must make four choices. In exceptional circumstances, one open learning subject (which must normally be at Higher level) can be taken.

If a desired course is not on offer, then it is possible it could be provided by open learning - please use the space provided to notify such a need.

Every effort will be made to provide the courses of choice but it is likely there will be difficulties with some subjects. If a course does not run then it could be provided by open learning. Courses not running one year are more likely to run the next year.

Please contact Dr Smith as soon as possible if you are unhappy with, or want to discuss, any aspect of this choice sheet.

Please indicate both the course chosen and the level to be taken.
