S6 CHOICE OF COURSE - 2006

Please complete & return to Dr Smith by Wednesday 29 March.

Pupils in S6 will take at least four courses plus Personal & Social Education (PSE). There may be some reduction to this by negotiation if for example, more than one subject is taken at Advanced Higher (AH). No more than one open learning choice can be made unless there is very good justification - see Dr Smith.

If a desired course is not on offer, then it is possible it could be provided by open learning - please use the space provided to notify such a need.

Every effort will be made to provide the courses of choice but it is likely there will be difficulties with some subjects chosen. If a course does not run then it could be provided by open learning.

Please contact Dr Smith as soon as possible if you are unhappy with, or want to discuss, any aspect of this choice sheet.

Please indicate both the course chosen and the level to be taken.
